

ONE DAY SEMINAR ON
RECENT TRENDS IN THE RESEARCH ON
ATOMIC, MOLECULAR & OPTICAL (AMO) PHYSICS
TO CELEBRATE THE PLATINUM JUBILEE OF THE IPS

Org. by
INDIAN PHYSICAL SOCIETY
In Association with
INDIAN ASSOCIATION FOR THE CULTIVATION OF SCIENCE
2A&B, Raja S.C. Mullick Road, Jadavpur, Kolkata- 700032, India.

Certificate

This is to certify that Subhira Ghosal, Sr. Lecturer of Physics Department, Acharya Prafulla Chandra College, New Barrackpur, North 24 Parganas participated and presented a poster entitled "Laser Assisted Scattering of an Optical Polaron Bound to an Impurity Center" in the One Day Seminar on "Recent Trends In The Research On Atomic, Molecular & Optical (AMO) Physics" held at I.A.C.S. on March 17, 2010.

March 17, 2010

(C. Sinha)
Convener
&
Sr. Prof., Theo. Phys. Dept., I.A.C.S.
