

INTERNATIONAL CONFERENCE ON
Nano-materials: Synthesis, Characterisation And Application

NOVEMBER 4- 6, 2004, KOLKATA, INDIA

Organised by
The Institution of Engineers (India)

In association with

Materials Research Society of India (MRSI)
Dr. M. N. Dastur School of Materials Science & Engineering,
B.E. College (D.U.), India

Chairman, Organising Committee
Prof. (Dr.) Samiran Chaudhuri, FIE
Past President, IE(I)

Hosted by
West Bengal State Centre

In collaboration with

The University of New South Wales, Australia

Organising Secretary
Dr. N. R. Bandyopadhyay, FIE

Attendance-cum-presentation Certificate

This is certify that Sri Subhra Ghosal has attended the International Conference on 'Nano-materials: Synthesis, Characterisation and Application' held at **Hotel Taj Bengal, Kolkata, India, during November 4-6, 2004.**

It is also certified that Sri. Ghosal has presented a paper entitled "The Einstein Relation in Quantum Wire Superlattices of Nanparabolic Semiconductors : Simplified Theory and A Suggestion for Experimental Determination" at the Technical Session No. 7B.

Dr. N. R. Bandyopadhyay
Organising Secretary

Conference Secretariat:

West Bengal State Centre, The Institution of Engineers (India), 8, Gokhale Road, Kolkata 700 020
